

Innovista'26: AI For Social Good

*Jointly supported by ACM India Activity-Based Funding Scheme
and
Heritage Institute of Technology, Kolkata*

Time	Description
9:00 AM to 9:30 AM	Registration of Innovista'26 Attendees and Ideapolis Participants
Inauguration and Welcome Address	
9:30 AM to 9:35 AM	Welcome Note and plan for the day Dr. Anurina Tarafdar Faculty Sponsor, ACM HITK Student Chapter Assistant Professor, CSE Heritage Institute of Technology, Kolkata
9:35 AM to 9:40 AM	Welcome Address Prof. (Dr.) Subhashish Majumder HoD CSE, Dean (UG) Heritage Institute of Technology, Kolkata
9:40 AM to 9:45 AM	Lighting of the Lamp
9:45 AM to 9:50 AM	Address Dr. Rutvi Rushabh Shah Associate Professor, AMPICS, Ganpat University, Gujarat Chair, ABF Committee, ACM India
9:50 AM to 9:55 AM	Vote of Thanks Dr. Anurina Taradar
9:55 AM to 10:00 AM	Stage Setup for Technical Sessions
Technical Session	
10:00 AM to 11:30 AM	Technical Session 1 (ACM India Eminent Speaker session) Speaker: Dr. Sriparna Saha Associate Professor, CSE Dept., IIT Patna, ACM India Eminent Speaker. Title of the talk: <i>“Multi-Modal Data Integration and Analysis for Cancer Prognosis using Machine Learning Model”</i> Bio of Speaker: Dr. Saha is an Associate Professor in the Department of Computer Science and Engineering at IIT Patna, India. Her research focuses on machine learning, deep learning, natural language processing, multi-objective optimization, and biomedical information extraction. She has authored over 400 research papers with more than 8700 citations and an h5-index of 40 (Google Scholar). She is a Senior Member of IEEE and Fellow of IETE, and her name has appeared for four consecutive years in Stanford University's list of the top 2% of scientists in Artificial Intelligence and Image Processing. Dr. Saha serves

	as Associate Editor for several reputed journals, including IEEE Transactions on Artificial Intelligence and IEEE/ACM Transactions on Computational Biology and Bioinformatics. She has received numerous prestigious awards and fellowships, including the Fulbright-Nehru Fellowship, Humboldt Research Fellowship, SERB Women in Excellence Award, and Google India Women in Engineering Award.
11:30 AM to 11:45 AM	Break
11:45 AM to 1:00 PM	Technical Session 2 Speaker: Dr. Soumya Sen Assistant Professor, A.K.Choudhury School of Information Technology, University of Calcutta. Title of the talk: "<i>Automation for All: Agentic AI is the Future</i>" Bio of Speaker: Dr. Sen is an Assistant Professor at the A.K. Choudhury School of Information Technology, University of Calcutta, and serves as the Teacher-In-Charge for the first year of the 4-year B. Tech program. He holds three international patents (USA, Japan, and South Korea) and three Indian copyrights. Dr. Sen has authored two Springer Brief books, edited a book, and supervised four Ph.D. scholars. He has published around 150 research papers in international journals, conferences, and book chapters. His research interests include Data Warehousing, OLAP tools, Machine Learning, Generative AI, Business Intelligence, and Distributed Databases. He has prior industry experience with IBM India Pvt. Ltd. and RS Software and currently serves as an advisor to Pannalabs.AI (USA) and Aeonix Research & Innovations LLP (India). He is a Fellow of IETE and a member of IEEE and ACM.
1:00 PM to 1:30 PM	Lunch Break
Ideapolis (An inter-college Ideathon competition)	
1:30 PM to 3:00 PM	Ideapolis: Presentation and Evaluation round.
3:00 PM to 3:30 PM	Tea Break
3:30 PM to 4:45 PM	Ideapolis: Presentation and Evaluation round
4:45 PM to 5:00 PM	Break (Evaluation by the judges based on calculative analysis).
Valedictory Session	
5:00 PM to 5:30 PM	• Declaration of Results and Prize Distribution ceremony (for Ideapolis). • Valedictory.

Heritage Institute of Technology, ACM Student Chapter
